Supplier General Information Worksheet

To be eligible for contract award, the supplier must not owe taxes to the State of Georgia. Also, in accordance with Official Code of Georgia Annotated §50-5-82, the State Entity is prohibited from awarding any contract valued at more than \$100,000.00 to a nongovernmental vendor if that vendor or an affiliate of the vendor is a "dealer" failing or refusing to collect sales or use taxes on its sales delivered to Georgia. Each Supplier must submit a completed **Tax Compliance Form (SPD-SP045)**, which has been provided as a downloadable document by accessing the link below. In the event the Supplier is being considered for contract award (and the contract is valued at more than \$100,000.00), the information provided in the **Tax Compliance Form** will be submitted by the State Entity to the Georgia Department of Revenue ("DOR") for a determination as to whether the Supplier is a "prohibited source" or has other tax deficiencies. The State Entity reserves the right to submit the Supplier's completed form to DOR for review even if the contract is valued at less than \$100,000.00. Download the **Tax Compliance form** using the link below and upload the completed form as part of your response:
